Camping Booking Form

The tournament camp site is Bath Rugby Club's home venue and it is ESSENTIAL that we do not leave anything on the pitch that may injure their players. Litter bins are provided – please use them. Be extra vigilant, and check the grass for ALL smaller objects such as **tent pegs, bottle tops, ring pulls, coins, glass** etc. PLEASE do your bit to help and bin ALL litter throughout the weekend and especially when you leave.

- The closing date for booking camping places is 30th June. However, camping places are limited. The site fills very quickly and early booking is advised to avoid disappointment.
- Weekend camping fees: £13 for adults, £6 for under 16yrs, free for under 5yrs.
- A list of campers' names must be supplied. Your team representative will be given an individual reference code for each camper booked. It is imperative that players know their personal booking reference to access the camping site.
- The team's total camping fee is payable in advance and where possible should accompany the tournament entry form.
- Camping places must be cancelled at least 7 days before the tournament to receive a full refund. After this camping fees are non-refundable.
- On arrival, campers will receive a pass which must be fixed to the tent. Any tent not showing an official pass will be removed.
- Campers will be able to access the ground from 3.00pm Friday evening. The entrance gate will be CLOSED at 10.30pm.
- Drinking water, toilets and washing facilities are available at all hours below the Rugby Club pavilion in the Recreation Ground. The Sports Centre facilities are also available to campers during the Centre's opening hours.
- Fires and barbecues are not permitted and Bath City Council has prohibited the use of bottled gas and cooking on the tournament site.
- To avoid upsetting local residents and other campers, there must be no noise in the campsite after 12.00pm. Teams who infringe this ruling will be asked to leave the tournament first thing the following morning.
- Vehicles must be parked in the official car park - vehicles are not permitted on the camping ground.
- Dogs are not permitted anywhere.
